Dear Valued Customer:

We are very grateful for your business, which allows us to fulfill our purpose to help our regional communities thrive. Since 1906, we have remained focused on being a locally owned community bank that empowers people, enables business, and energizes neighborhoods through the strength of our financial services.

As you are aware, our North Broadway Branch has been closed since January when it sustained a water main break. Because of the extensive damage, as well as evolving customer transaction patterns, we have made the decision to **permanently close the North Broadway Branch**. The change will take effect **July 31, 2024**.

We are eager to make this transition as easy as possible for you. No action is required on your part as your account number(s) will remain the same. You will continue to have access to our services at all Midwest BankCentre branches, including our two nearby branches at Friendly Temple and South Grand.
